

RED CROSS DANCE PROVED BIG EVENT

TEMPE, April 18.—The Red Cross dance given by the Annapolis club Wednesday was a decided success in every way. The music was excellent and a good time reported by everyone present. The receipts of the evening from the dance were \$77.75. The Monday club sold a rag rug which netted them \$22.50, making a total to turn over to the Red Cross of \$100.25.

High School Teachers Hired

At a joint meeting of the high and grammar school boards the teachers who are employed by both schools were hired for the coming year. The resignation of Superintendent J. O. Miller and Miss Gumpel Pederson and resolutions of appreciation of their splendid work were passed. The office of superintendent will probably be dissolved with as a matter of economy for the coming year at least, and this prompted the resignation of Prof. Miller. Miss Daisy Buck was elected to succeed Miss Pederson in the domestic department. Miss Mary Stewart was re-

tained as art teacher and Miss Myrtle Rice as music instructor. Professor Estus will continue as manual training instructor.

After the joint meeting, the high school board met and elected E. A. Row as principal. Miss Emma French, Miss Yeaman, Miss Jessie Barker and W. E. Christy as the department teachers. The teachers for the grammar grades will not be selected for several weeks.

Help Buy a New Flag

Subscriptions are being taken for a new flag for the Butte and they may be left at the McNary Drug store. If enough is raised a new pole will also be erected. The flag on the Butte is one of the things which strangers remember when they go away from Tempe.

McAdoo Speaks to Large Crowd

A large crowd of Tempeans gathered on the Normal lawn yesterday afternoon to listen to Secretary McAdoo speak on the third Liberty Loan. Before and after the speech, the Tempe band rendered several splendid selections. C. W. Woolf acted as chairman. During the talk of the secretary the crowd applauded enthusiastically.

Called East on Account of Illness

Mrs. Fred Hiatt left Thursday evening for Chicago where she was called by the serious illness of her father.

Auto Didn't Pass Cadets

Orders were given the cadets yesterday not to let any autos in the

quadrangle at the Normal where Secretary McAdoo was to speak but one young man thought he would pass through anyway, regardless of orders. To his surprise the cadets at this station put their rifles to the wind shield of his car, and when he tried to proceed, the wind shield was badly damaged. He thought it far better to obey orders and parked outside.

Will Stage Junior Play

It is always a big event in the Normal school circles when the annual class play is given, and this year the big play of the year is to be staged by the Junior class.

"The Stubbornness of Geraldine," a modern American play is to be given Monday night, April 22, at the Goodwin Opera house, and promises to be a very creditable production. Reserved seats will be on sale Friday at the McNary Drug store. The cast of characters will appear in tomorrow's issue.

Theodore Roosevelt says: "I wish everyone in this nation could hear this indictment by Newell Dwight Hillis. The conditions thus described by an unimpeachable witness should awaken every man and woman in America."

"Dr. Hillis is one of the most powerful orators in the United States. He held spellbound a crowd so great that a special detail of police had to be present to preserve order."

—Washington Post.

"Nearly one million, three hundred thousand dollars for the Liberty Loan showered upon the stage at the Lyric last night, when Newell Dwight Hillis finished his recital of the Hun through Belgium and France. The outpouring or subscription was succeeded by a tremendous ovation to Dr. Hillis, when as he finished, the whole house sprang to its feet and cheered and applauded for several minutes."

SECRETARY M'ADOO DELIGHTS NOTABLE GATHERING AT MESA

MESA, April 18.—Secretary William

G. McAdoo spoke yesterday afternoon to one of the largest open air crowds ever gathered in Mesa. Though the stop of the secretary en route to Phoenix had not been arranged until Wednesday morning, the news had traveled fast and the Mesa populace and ranchers, together with visitors from near by towns, made up an inspiring audience for the distinguished guest, who spoke easily and in a happy frame of mind, despite the fact that he was on the last lap of a windy, dusty journey overland from Globe. The streets were brilliant with colors of the red white and blue and the hundreds of autos were for the greater part decorated with flags. Fifty cars well filled, were driven out to the eastern canal, five miles out on the Roosevelt highway, and met the incoming secretary with a chorus of cheers such as only the modern auto can make. Smilingly he responded with uplifted hat as the big car in which he was riding shot through the double row of waiting autos, and took the lead on a fast drive into town, where without delay he began his short but emphatic address. That the audience was with him was evinced in the constant interruption of applause. The stores all closed at 4 o'clock and the salespeople and employers were enabled to be present. At the close of his talk Mr. McAdoo was presented with a magnificent bouquet of white roses tied with ribbons of the national colors. As he left for Tempe, the crowd gave him a hearty three cheers.

Route Two in Mesa Has New One on List

Mr. and Mrs. J. W. Connolly are rejoicing in the advent to their home of a charming little baby girl. Already there are four boys in the family and while they are some boys, yet it must be confessed that the sex of the new comer makes her doubly welcome. Meanwhile if patrons of route number two, Mesa city delivery, The Arizona Republican, get their paper a little late for a few mornings it will be because carrier Harry Connolly has sat up too late talking to his baby sister.

HANDSOME CLOCK IS SET UP FOR MESANS

MESA, April 18.—The people of Mesa will feel indebted to the Salt River Valley bank for the erection at the front corner of the bank building, of a handsome chime clock. The clock is of bronze finish and stand some six feet high, with four faces, and is regulated from another clock on the interior of the bank, being run and regulated by electricity. The chimes are very mellow and beautiful, sounding forth every quarter hour. At night the faces are electrically lighted.

New Teller at First National
Walter Longmore, second teller at the First National Bank of Mesa having resigned, his place has been filled by H. G. Dixon formerly of the Farmers and Merchants' bank of Tempe. Mr. Longmore has returned to Los Angeles where he will enter the employ of a creamery company, a lucrative position and one offering fine chances of promotion having been offered him.

TAMALE SUPPER TO BE HELD IN OPERA HOUSE PLACE HALL

MESA, April 18.—The women in charge of the tamale supper announced to be held at the Masonic hall, for the benefit of the Red Cross, have been compelled to change the place of entertainment to the opera house. The change was made necessary by ascertainment of the fact that a far greater number of people would be in attendance than was at first expected.

Stapley-Judd Marriage
The announcement in yesterday's Republican of the marriage of Richard Judd to Miss Olive Delta Stapley, both of Mesa, was of interest to the many friends of the young couple, both of whom have been in Mesa all their lives. The groom is one of the Vance Brothers force, and the bride a daughter of Mr. and Mrs. J. B. Stapley.

STRANGE EPIDEMIC RAGES IN GREENLEE

George H. Birdno of the office of the internal revenue collector yesterday received a letter from Clifton, in which mention was made of a mysterious epidemic raging in that neighborhood and Morenci. About three hundred people have been stricken, though there have not been any fatalities. The local physicians have been unable to classify the ailment and others have been called in. Not long ago there was an epidemic for a time mysterious in the neighborhood of Ray. That was later traced to the water used in that vicinity.
